Why I took an exchange program

What I expected from the overseas college

My life in Paris

# Why I took an exchange program

- \* Own a wonderful experience when I am young
- \* Be an actor of globalization rather than undergo it
- \* Experience cultural diversity
- \* Experience different methods of teaching and learning
- \* Identify myself with European values and stakes in all dimensions

# What made me hesitant?

- \* How much I get from this experience?
- \* Is this worth giving up internal internship opportunity?
- \* Is this valuable for my career or future?
- \* Is my family fordable for my choice?
- \* Will the local people be friendly to me?

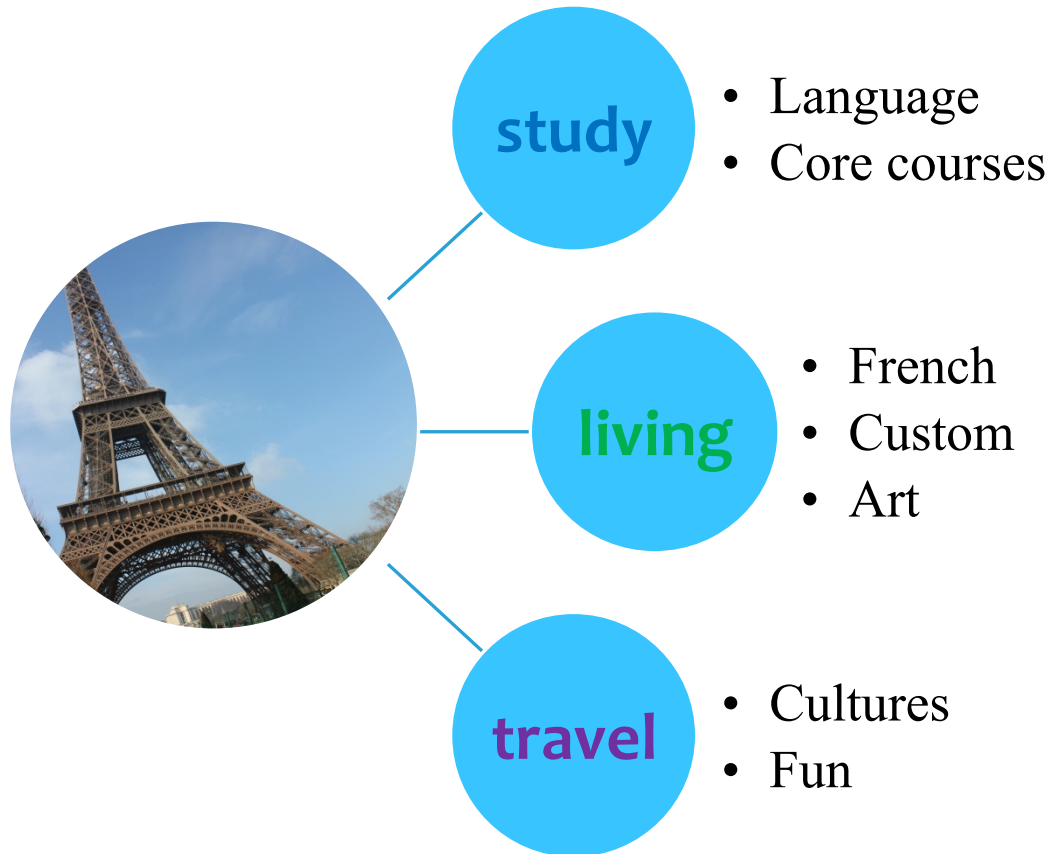

**JUST DO IT.**

# What I expected from the overseas college

- \* Good reputation in market place
- \* High ranks it holds
- \* Active placement cell
- \* Quality faculty
- \* Good infrastructure
- \* Flexibility and choice in the delivery of education
- \* A two way communication process between students and college
- \* To be consulted about the learning experience
- \* Accurate information about the courses, assessment ,procedures, complaints, process, etc.

## 这就是PARIS~

来了巴黎快8个月，在即将离去的日子里，我也来个小小总结，这就是法国，这就是巴黎：

法国人永远最爱嚼起来咯咯响的长棍

法国人家每天必说BONJOUR, BON SOIR, 见谁都说

法国人一不小心就要说‘PARDON’.

法国人一见面就是左脸贴了右脸贴，还要故意发出亲亲的声响，声响越大，表明关系越好

在法国，一样的程序一样的资料，可以有完全不同的结果

办任何事情都需要RENDEZ-VOUS

在法国人眼里，世界上只有一种语言，法语~

百分之70的法国人不会说英语

在街上会有人陌生人给你BONJOUR，还对你微笑，多半是男的~

法国女人一致认为法国男人很花心

在法国的奢侈品店最多的永远都是中国人，所以必有中国导购
