# Sustainable Development

- Integrity and responsibility are among the FELU's key values and determine our identity and relationship with all stakeholders.
- Ethics, responsibility, and sustainability are reflected in the FELU Strategy.
- The FELU's mission, vision and values articulate what the FELU is about and what we believe in.

<b>Mission</b>	We broaden horizons and build competences for socially responsible management of business and economic challenges.
<b>Vision</b>	By 2025 we will be the school of choice in business and economics in Central and Eastern Europe for doing research, learning and creating sustainable development solutions.
<b>Values</b>	Integrity, Cooperation, Responsibility, Knowledge, Academic freedom

# Importance of sustainable development

## EDUCATIONAL IMPACT

- ERS integration into the majority of courses, assignments, curriculum, undergrad., master and Phd theses.
- Building an open-minded society.
- Providing students with real-world experiences and extra curriculum activities.
- Implementing different stakeholder views into curriculum.
- Supporting outstanding students with scholarships: FELU Foundation.
- Different ERS Projects: Re.think, Eco Team, Eco School etc.
- Providing the best possible facilities for our students, scholars and faculty.

## SOCIAL IMPACT

- Ensuring equal opportunities for all members.
- Fostering global awareness and promoting workplace diversity.
- Standing for values: Integrity, Cooperation, Responsibility, Knowledge, Academic Freedom.
- Promoting integration, cooperation and values through FELU's ethical documents
- Committed to PRME and contributing to cross-national and regional dialogue.
- Publishing articles and books with sustainable content.
- Committed to the promotion of arts and culture.

## ECONOMIC IMPACT

- Creating a global impact through intellectual contributions.
- Encouraging multidisciplinary and international research excellence.
- Supporting, promoting and motivating young researchers.
- Providing guidance to establish business in accordance with ethics.

## ENVIRONMENTAL IMPACT

- Generating and producing our own energy with the FELU Solar Power Plant.
- Undertaking environmentally responsible investments.
- Committed to sustainable waste management.
