Top Business Schools in Europe

European economies are recovering following the credit crunch, yet MBA demand has remained relatively strong, and the numbers of employers in Europe responding to our survey was at record levels in 2010/11. Katty Ooms Suter, director of marketing, admissions and career services at IMD in Switzerland, observes that MBA recruiting "has definitely taken a step forward compared to the previous two years." She adds "pretty much all companies contacted by IMD in 2010/11, across many industries, are keen to recruit MBAs in small amounts... for specific needs or open positions rather than generic talent recruiting."
